NOTE:

The farm has been in the family for nearly 50 years & two generations. The John Deere Mod. 430 was purchased nearly new and used on this small 20 acre hobby farm for over 40 years and always kept in the barn. Lots of interesting items must be sold to facilitate Ed's move to warmer climates. There is off road parking across the street. We will have a lunch wagon and port-a-jon for your convenience. NOTE: The 20 acre farm is listed with Paul Moon & Associates and he can be reached at 616-837-8382.

I have decided to retire and move to Florida, therefore I will sell all farm equipment and personal property at PUBLIC AUCTION on the date and time listed above. I would appreciate you considering attending my auction and thank you in advance for your time.

*Very best regards,
Ed Burmeister*
