**LOCATION:** on the farm at 5685 South Baldwin Ave. Fremont, MI 49412

**DIRECTIONS:** From Fremont go straight East at the four way stop on 48th St. 3 miles to Baldwin Ave then South 1 mile OR from Grand Rapids take M-37 North 31 miles, through the city of Newaygo (over the bridge) to M-82 WEST, go West 4 miles on M-82 to Baldwin Ave. then North 3 miles. **NOTE:** Dale & Emma have farmed this place for nearly 45 years, now they want to spend more time with their family and relax a little more! They loved the Oliver line and it shows in their different collections. Most of the tractors are very nice, but there are also some "project" tractors. The farm equipment would fit nicely into the small or hobby farm category. The Tibbe's were collectors and have several nice collections including over 60 nice metal farm related advertising signs, thermometers, paper collectibles, magazines, farm toys & much farm equipment manuals & literature. Be sure to make plans to be just 6 miles South-East of Fremont on Sat. September 15 at 10:00AM for the start of this exciting Live Auction Event!

The local Amish community will be hosting the lunch to benefit the Amish School. For your convenience there will be port-a-jons, wash-up station and some off street parking.

Having purchased a home in Wisconsin we will be moving there to be near our grandkids. We have decided to sell at Live Public Auction our tractor collection, farm equipment, toys, tools and collectibles. We would like to invite everyone to our Auction and thank you in advance for your consideration and support.
