**NOW IT'S PERSONAL.**  
**AUCTIONEERS FROM AROUND THE STATE WILL STAND UP TO FIGHT PROSTATE  
CANCER ON OCTOBER 6th.**

The Michigan State Auctioneers Association has teamed up with Team Winter - Athletes For A Cure to pay tribute to our close friend, professional auctioneer and MSAA Board of Director, Michael Vinecki who was diagnosed with a rare form of prostate cancer on his 40th birthday.

Michael fought a courageous 10-month battle to beat the disease which included but not limited to; numerous trips to the Mayo Clinic, Multiple surgeries, chemo and even experimental treatments. Despite his determination, Michael passed away peacefully with his loving wife and his four children all under the age of 10 at his side on March 12, 2009.

TEAM WINTER was formed by Michael's 9 year old triathlete daughter who started the charity in the beginning of her father's prostate cancer diagnosis. Winter was and is as determined as ever to raise funds for prostate cancer research and to make people aware of the importance of early detection as prostate cancer is the 2nd leading cause of death among men.
